This stunning brick home located just minutes from UVA and McIntire Park is ready for you! 2 main floor bedrooms! The kitchen and bathrooms were renovated in 2018, so this home is modern yet maintains its original charm. The kitchen, featuring quartz counters, bright white subway tile backsplash and stainless appliances opens into a stunning sunroom with radiant heat beneath the floor. A full basement featuring a rec room with built-in bar, bedroom and full bath is great for hosting! Every available space has been used for storage, including lots of unfinished space in the basement. There is plenty of outdoor living space as well, with a composite wood deck, private mature yard with patio and pergola, shed, and an off street parking pad.
